- All cars are left hand drive but remember to drive on the right side of the road!
- Speed limit signs are in miles per hour and generally regional speed limits do not exceed 70 miles per hour.
- At four-way stop intersections, the first vehicle to arrive has right of way.
- Fuel is sold by the gallon and is known as gasoline. Often international credit cards don't work at the petrol pump, so you'll need to pay inside the gas station.

HOW TO BOOK

Contact your ATIA travel agent and request a reservation. All verbal quotes provided are an estimate only and subject to change until confirmed in writing.

PRICES & CONDITIONS

This brochure was published on 30 October 2026 and is valid for services used 1 April 2027 to 31 March 2028 Unless otherwise stated, prices are in Australian dollars and include GST where applicable. Exchange rates used when pricing this brochure are as at 20 October 2026. Prices are subject to availability and may change or be withdrawn without notice. Prices are a guide only and based on per person twin share occupancy in the lowest room category in low season. Prices may change due to factors outside our control, including currency fluctuations, taxes, government charges, tourism levies and supplier-imposed fees. Surcharges and minimum stays may apply during peak periods and special events. While we endeavour to include all known mandatory charges, some fees including resort fees, tourism taxes and local levies, may be payable directly by travellers. Please check all prices, availability, fees and conditions with your travel agent before booking. If changes beyond our control result in your holiday costing more or being materially different from that booked, you may cancel your booking and receive a refund of monies already paid, less any charges imposed by the relevant Supplier.
