HELPFUL TIPS

Queensland is a wonderful place to visit all year round. Before you begin your next trip, make sure to read our helpful travel information, to ensure you make the most of your time in the Sunshine State.

WHEN TO GO

Queensland is a stunning destination year round. Southern Queensland has hot summers, perfect for spending all day in the water. Winter brings beautiful days with clear skies and cooler nights. From April to May and October to November are warm and pleasant for beach days.

Escape to Tropical North Queensland from April to October when days are warm and dry with low humidity. It's also a great time of year to take advantage of the reef, since the risk of stingers are minimal. To see flowing waterfalls and full-to-the-brim lakes, plan your holiday from November to March.

GETTING AROUND

BY CAR

Take the time to explore and discover as you make your way through Queensland by road. See pages 8 and 9 for car hire options.

BY RAIL

Enjoy Queensland's coast in comfort aboard the Tilt Train from Brisbane to Rockhampton, or the Spirit of Queensland from Brisbane to Cairns. The Spirit of the Outback services regions between Brisbane and Longreach. Experience Gulf Savannah country aboard the Gulflander. Refer to our Queensland Rail Holidays brochure for more great rail ideas.

PLAN AHEAD

- Pack layers when travelling through Outback Queensland, as daytime warmth can give way to cool evenings and chilly mornings.
- Marine stingers occur November to May so head warning. Netting enclosures offer safe swimming.
- Gold Coast, Sunshine Coast and Airlie Beach host many school leavers celebrations each year from mid-November to mid-December.

WATER SAFETY

Australia has some of the world's best beaches, however care and caution should be exercised at all times. Please remember to swim between the red and yellow flags and listen to instructions from lifeguards. When travelling in northern Queensland, be aware that saltwater crocodiles may be present in rivers, creeks, estuaries and coastal waters. This is generally sign-posted, but if you are unsure, don't swim.

UNESCO WORLD HERITAGE-LISTED AREAS

Queensland is home to five UNESCO World Heritage-listed areas, including the Great Barrier Reef, K'gari, the Daintree Rainforest, Gondwana Rainforests and Riversleigh Fossil Fields. Together, they highlight the state's diverse landscapes, unique wildlife and rich natural heritage.

ENVIRONMENTAL MANAGEMENT CHARGE

Many tours to the Great Barrier Reef incur an Environmental Management Charge, which contributes to the conservation, research, and management of the Great Barrier Reef through the Great Barrier Reef Marine Park Authority. The Environmental Management Charge is to be paid by you, to the tour operator, on the day of the tour.

AVIS

Why not add car hire to your travel plans and make the most of your holiday by enjoying the flexibility and convenience that an Avis car rental provides. Situated at all major airport and city locations, Avis offers a wide range of vehicles at great rates. Renting with Avis is sure to make your holiday escape even more enjoyable.
